PARKING REMINDER

Please take care at 1.55pm and 2.05pm pick up. Tell whoever picks up your child not to park in front of the main school gate as parents assemble here to collect their children.

Annual School Fee to cover extra activities:

A huge thank you to those families who have paid their school fee to cover the cost of buses, trips out, visiting groups etc. This has hugely reduced admin time for teachers and secretary. Over 90 families have paid either in full or first instalment. Those who have not will be given a reminder before midterm that the fees are due. The fees due are as follows:

Juniors to 2nd - €50

3rd & 4th - €70

5th & 6th - €90

Playground Equipment

Before the end of the month, Hennessey Timber will install our playground equipment. These will be low lying equipment which will be used to improve co-ordination, balance, upper body strength and core strength. These include balance beams, jumping blocks, monkey bars, (8 pieces of equipment in all). The Parents' Association are hoping for parents to turn up at the **AGM on the 2nd of October** to ask for help in organising a fundraiser for this. It is a great addition to our outside space and will benefit all pupils.
